WORK HISTORY

Sam Houston State University - Graduate Assistant
Huntsville, TX • 08/2018 - 08/2019

- Created lesson materials, visuals and digital presentations to supplement lesson plans.
- Gathered, reviewed, and summarized literature from scientific journals such as Google Scholar and PubMed and produced graphs and other scientific calculations using MS Excel, R language, and Python
- Contributed to research and data analysis within Sam Houston State University Biology Department landscape.
- Performed experiments and research in microbiology/metagenomics and documented all findings.
- Assisted faculty members with data collection for potential academic publications.

Sam Houston State University - Genetics Teaching Assistant

Huntsville, TX • 05/2017 - 05/2017

- Utilized answer sheets and electronic marking devices to grade homework and tests, accurately computing and recording results.

- Observed students' performance and recorded relevant data to assess progress.
- Planned and prepared various teaching aids such as papers, presentations, and graphs
- Enhanced learning plans and quantified student progress using quizzes, essays and projects.
- Proved successful working within tight deadlines and fast-paced atmosphere.

Sam Houston State University - Peer Assisted Learning Instructor

Huntsville, TX • 01/2017 - 05/2017

- Developed and implemented classroom routines to address varying student needs.
- Assessed and looked after 20+ students by working closely with staff and efficiently planning and coordinating work.
- Maintained accurate and complete records for 20+ students.
- Assisted students of all ability levels develop life-long learning skills and good study habits.
- Helped students use the process of metacognition to identify weak points in their knowledge of class material
